

Current Openings for Southeast Michigan

SAFEbuilt is currently looking for a highly qualified and motivated professionals to serve in a new client area of Southeast, MI. These positions will serve as key team members to provide excellent service levels and safer built communities. You'll be a member of our highly respected building department team with a full complement of resources to support you.

SAFEbuilt has a 20 year history of providing building department services as a government contractor. Our culture is positive and energetic as we empower people to do what they do best. Join the other highly qualified and motivated individuals who share the common Core Values of Integrity, Respect, Service, Teamwork and Improvement.

We offer a strong salary and benefits package to reward ability, certification levels, and work experience. Benefits include health, dental, vision, life, and disability insurances, paid holidays, paid time off, paid training, new certification bonuses, a matching 401K Plan, and more.
